A letter from management,

DVC Ventures Inc., The Indoor Shooting Centre will be TEMPORARILY closing it's doors during the COVID-19 pandemic until April 3, 2020.

Despite our best efforts to maintain a clean and sanitary COVID-19 free environment, it is in the best interest of our staff, management, and our loyal members and customers to temporarily close our range as a preventative measure. We feel this is also in the best interest of our entire community that has supported us for many great years.

By doing so, we hope to help promote social distancing practices recommended by our medical leaders and experts in the efforts to protect all those who are vulnerable/susceptible to the virus.

We encourage everyone to do their own research and stay up to date with Canada's public health website.

<https://www.canada.ca/en/public-health/services/diseases/coronavirus-disease-covid-19.html>

During this time we strongly encourage everyone to be kind to others and remember to share and help those who may need it. We can all work together to do our part to change the outcome so together we can get back to our daily lives, our families, our friends, our jobs and our passions whatever they might be.

We thank you for your continued support and for making us such a great range and place to practice, learn, experience, and have fun. We look forward to welcoming you again.

Guns and ammo sales pickup will be by appointment only. Please email sales@vancouvergunrange.ca

Stay well,

Management Team
